

Beakers

Light duty beakers (A)

Manufactured from 304 grade stainless steel, these beakers are made in one piece. They are crevice- and pit-free and polished throughout.

Laboratory beakers (B)

Manufactured from 304 grade stainless steel, these beakers are produced to a seamless design, with a rolled over lip. They are suitable for laboratory applications, and can be easily cleaned or sterilized for re-use. Designed with durability in mind
